- Well furnished and ICT enabled EDUSAT hall /Conference Room/ Seminar Halls
- Affordable education to All Categories
- Government scholarship schemes for the students including B.Ed. and PhD scholars.
- Competitive Examination Coaching classes
- Scheduled caste Sub Plan for the students belonging to Scheduled Caste.
- Self financed B. Ed course at affordable cost
- Active IQAC for monitoring and quality augmentation
- The biggest college of district Champawat with more than 3000 strength of students.
- Adequate facilities for outdoor and indoor sports with an open stage , auditorium and gymnasium
- English Language lab
- Add on courses on various subjects.
- Internshalla

Institutional Weakness

- As most of the students are from rural background, their communication skill in English hinders their overall personality Development.
- Being a government P.G. college, the generation of revenue for maintenance of college is difficult.
- Library staff has not been appointed by the government authorities for few years.
- Limited seats against large number of applicants.
- Unavailability of proper transport facilities for college students.

- Sufficient number of faculty positions have not been sanctioned due to which student-teacher ratio is low.
- Inability to develop a foolproof system for tracking student Progression.

Institutional Opportunity

- To increase the number of skill development programmes including communication skill in English.
- Digitalization of library and college records.
- More smart class rooms are to be increased.
- To strengthen teaching and research programmes through MOU and collaborations.
- Wide opportunities are waiting for preparing the students to face competitive examinations.
- Steps can be initiated to establish solar energy system.

Institutional Challenges

- The inventions of technology and electronic gadgets have a negative impact on students' attitude and morals.
- The departments find it difficult to raise funds for the conduct of the seminars and faculty development programmes.
- There is a wide gap between slow learners and advanced learners.
- It is difficult to cater 70% students with average in the college.
- Being a government college, it is difficult to raise non-government funds to meet out expenditure on infrastructure maintenance.
- On campus placement of students is great challenge before the administration.
- Improvement in student's communication skill (both speaking and writing) is challenging task.
